Pune, India | +91 8010258227 | [ndmorkar@gmail.com](mailto:ndmorkar@gmail.com) | [Linkedin](#) | [GitHub](#) | [Leetcode](#) | [GFG](#) | [Portfolio](#)

## SUMMARY

I am a **Full-Stack Java Developer** experienced in building scalable web applications. I am a quick learner with strong problem-solving skills and a passion for innovative technology. My expertise spans both front-end and back-end development, utilizing technologies such as **Java, Spring Boot, and Angular**.

## TECHNICAL SKILLS

- **Languages :** C | C++ | Java SE | Java EE | C# | Dart | TypeScript | Javascript.
- **Frameworks / Libraries :** Spring | SpringBoot | Hibernate | Angular 17 | Flutter | Tailwind CSS.
- **Reactive Programming :** Project Reactor | Spring WebFlux.
- **Database :** MySQL | MongoDB.
- **Other :** DSA | Software Design Patterns | MicroServices | Aspect Oriented Programming (AOP) | Swagger UI | Object Oriented Programming (OOPs) | Operating System (OS) | SOLID Principles.

## DSA PROFILE

- Solved over **1100+** DSA problems on [GeeksForGeeks](#) and [LeetCode](#).
- Ranked **30th** in DSA at the institute level on GeeksforGeeks.
- Earned **1670+** points on GeeksforGeeks.
- Achieved a **Global Rank** of **496** out of **25,000** participants in **CodeChef** Weekly Contest: **Starters 150**.

## PROJECTS

**Electronic Store Backend** [\[code\]](#) : Java | SpringBoot | Hibernate | MySQL | Hibernate | Swagger UI | JWT

- Developed a backend system for an electronic store, supporting product management, cart functionality, and order processing.
- Enabled product addition to cart, cart item deletion, and efficient order placement
- Utilized Swagger UI for REST API documentation, enhancing API accessibility and clarity.

**Hospital Management System** [\[Link\]](#)[\[code\]](#) : Java | SpringBoot | MySQL | Hibernate | Spring Security

- Implemented an appointment management system for doctors and patients.
- Facilitated better patient care and record management, leading to higher patient and doctor satisfaction.
- Patients can securely store and access their medical history, create personalized folders, and store prescriptions.

**Recipe Route Flutter App** [\[Link\]](#)[\[code\]](#) : Dart | Flutter

- Developed a mobile application with API integration to fetch and display real-time recipe data from external sources.
- Implemented key features including recipe search, filtering options, and detailed recipe views to improve user engagement.

## EDUCATION

**Pimpri Chinchwad College of Engineering, Pune**

2021 - 2025

B.Tech | Information Technology | CGPA: 8.7

(pursuing)

**Atma Malik International School Kokamthan, Nagar.**

(class 12) | percentage : 90%

2019 - 2021

**L.S.B Waje Vidyalaya Sinnar, Nashik.**

(class 10) | percentage : 92.80%

2018 - 2019

## CERTIFICATES

- Certificate for the Completion of Java Business Application Training [\[Link\]](#)
  - Score: 90.00% - Spoken Tutorial Project, IIT Bombay.
- Programming using Java - Infosys SpringBoard [\[Link\]](#)
